CONDITIONS GENERALES DE VENTE

- Toutes les commandes (signées par les clients et avec leur coordonnées exactes) seront à envoyer par mail, aucune commande téléphonique ne sera prise en charge. Le client doit toujours s'assurer de recevoir une confirmation de commande pour chaque commande envoyée (sans confirmation de commande de notre part la commande n'est pas prise en charge)

- A la réception de la marchandise le client doit en contrôler l'état. Tous les produits défectueux doivent être signalés sous 8 jours. Aucune réclamation concernant des anomalies de livraison ne sera acceptée après ce délai.

- Nos produits sont garantis pour 2 ans, exclusivement pour des défauts de fabrication. Cette garantie ne couvre pas les problèmes causés par une mauvaise utilisation (griffures et coutures ouvertes qui n'étaient pas présentes au moment de la livraison, utilisation de mauvais produits de nettoyage, etc...).

- Pour procéder à la prise en charge de chaque SAV il nous faut impérativement une fiche SAV remplie correctement (avec la référence de notre facture de vente et des photos du problème).

- Si on doit prévoir l'échange du produit ou bien un retour usine pour réparation c'est le revendeur qui doit s'occuper de la reprise du canapé de chez le particulier: nos transporteurs n'effectuent pas de reprises à domicile. Une fois récupérée de chez le client particulier la marchandise devra être bien emballée et mise à disposition de notre transporteur au magasin ou bien dans une plate-forme logistique.

- Notre fabrication, étant artisanale, peut survenir avec des petites différences jusqu'à 3% au niveau des dimensions. Nous nous réservons aussi le droit d'apporter des petites modifications pour améliorer les produits. De plus, en raison de la complexité de mise au point du tissu, nous ne pouvons pas garantir un coloris identique entre 2 commandes passées dans 2 moments différents (il peut également exister une légère différence de nuance entre le coloris du revêtement du produit commandé et celui du tissu correspondant de notre liasse d'échantillons)

CONDIZIONI GENERALI DI VENDITA

- Tutti gli ordini (firmati dai clienti e con i loro dati di contatto esatti) devono essere inviati via e-mail, non saranno accettati ordini telefonici. Il cliente deve sempre assicurarsi di ricevere una conferma d'ordine per ogni ordine inviato (senza una conferma d'ordine da parte nostra l'ordine non verrà elaborato).

- Al ricevimento della merce, il cliente deve verificare le condizioni della merce. Tutti i prodotti difettosi devono essere segnalati entro 8 giorni. Dopo questo periodo non saranno accettati reclami relativi ad anomalie nella consegna.

- I nostri prodotti sono in garanzia per 2 anni, esclusivamente per i difetti di fabbricazione. Questa garanzia non copre i problemi causati da un uso improprio (graffi e cuciture aperte che non erano presenti al momento della consegna, uso di prodotti di pulizia sbagliati, ecc.)

- Per procedere alla gestione di ogni servizio post-vendita, abbiamo bisogno di un modulo di assistenza post-vendita correttamente compilato (con il riferimento della nostra fattura di vendita e le foto del problema).

- Se il prodotto deve essere sostituito o restituito alla fabbrica per la riparazione, il rivenditore deve occuparsi del ritiro del divano presso il domicilio del cliente: i nostri corrieri non effettuano il ritiro a domicilio. Una volta ritirata dal domicilio del cliente, la merce deve essere ben imballata e messa a disposizione del nostro corriere presso il negozio o una piattaforma logistica.

- La nostra produzione, essendo artigianale, può presentare piccole differenze fino al 3% nelle dimensioni. Ci riserviamo inoltre il diritto di apportare piccole modifiche per migliorare i prodotti. Inoltre, a causa della complessità dello sviluppo dei tessuti, non possiamo garantire un colore identico tra 2 ordini effettuati in 2 momenti diversi (potrebbe anche esserci una leggera differenza di tonalità tra il colore del rivestimento del prodotto ordinato e quello del tessuto corrispondente nel nostro campionario).

GENERAL CONDITIONS OF SALE

- All orders (signed by the customers and with their exact contact details) must be sent by email, no telephone orders will be taken. The customer must always make sure to receive an order confirmation for each order sent (without an order confirmation from us the order will not be processed).

- Upon receipt of the goods, the customer must check the condition of the goods. All defective products must be reported within 8 days. No claims regarding delivery anomalies will be accepted after this period.

- Our products are guaranteed for 2 years, exclusively for manufacturing defects. This guarantee does not cover problems caused by misuse (scratches and open seams that were not present at the time of delivery, use of the wrong cleaning products, etc.).

- To proceed with the handling of each claim, we need a correctly filled document in claim form (with the reference of our sales invoice and photos of the problem)

- If the product has to be exchanged or returned to the factory for repair, the retailer has to take care of the collection of the sofa from the customer's home: our carriers do not carry out home collection. Once the goods have been collected from the customer's home, they must be well packaged and made available to our carrier at the shop or at a logistics platform.

- As we manufacture our products by hand, it is always possible to have small differences of up to 3% in the dimensions. We also reserve the right to make small changes to improve the products. Furthermore, due to the complexity of fabric development, we cannot guarantee an identical colour between 2 orders placed at 2 different times (there may also be a slight difference in shade between the colour of the covering of the product ordered and that of the corresponding fabric in our sample pack).

Les couleurs des revêtements et des pièces en bois ou en métal photographiées dans ce catalogue doivent être considérées comme purement indicatives. Les procédés photographiques et d'impression utilisés ne garantissent pas une fidélité totale des couleurs à l'aspect réel, c'est pourquoi toutes les commandes doivent être vérifiées à l'aide de nos échantillons (tissu ou cuir).

I colori relativi ai rivestimenti e alle parti in legno o metallo fotografati su questo catalogo sono da considerarsi puramente indicativi. I procedimenti di fotografia e stampa utilizzati non garantiscono la totale fedeltà cromatica all'aspetto reale, quindi tutti gli ordini devono essere verificati sui nostri campionari (pelle o tessuto).

Covering colours and wood or metal parts which are photographed in this catalogue are to be considered purely indicative. The photographic and printing processes do not guarantee total colour fidelity to the real appearance, therefore all orders must be checked against our fabric or leather samples.
